Engaging with the Wider Context

- Encouraging members to engage with AUA CPD opportunities
- Hosted AUA NW & NW Regional Conference
- Enlisted colleagues to co-present at national AUA Annual Conference
- Staff co-developed AUA resources through pilots
- Secured transportation funding for regional conference travel
- Inviting other regional members and advocates to our Forums
- AUA CIVICs used to give members strategic input into regional activities

Jayne Bryson FAUA, Executive Support Officer at Liverpool John Moores University

...talks about the benefits of being an AUA Fellow, some of the strangest jobs she's had and her own personal philosophy

LJMU's AUA Advocate Team

Nine Advocates; meet four to five times a year (plus monthly catch-ups at Forums)

Each lead on one of the nine Professional Behaviours

Each organises their related monthly Network Forum

Provides enhanced CPD opportunities for leadership, management, organisation, delivery, marketing, events, and communications

Community of practice and support

Power of Collaboration – Working Together

- LJMU AUA CPD Awards Competition winner: November 2018

Talking in Riddles – Finding Solutions

- Competition activity from LJMU AUA CPD Awards: April 2018

Many heads are better than one – Achieving Results

- Activity from Engaging with the Wider Context Forum: March 2018

Menti activity – Using Resources Effectively

- Interactive demonstration of engagement tool used at a number of Forums

Internal AUA Network Strategies

Work with your HR and staff development team

Clearly align your AUA Network strategy with your other institution objectives and initiatives

Relate all activities to the AUA CPD Framework and make each activity different and pragmatic

Enlist motivated, proactive and passionate staff to support you

Utilise your regional AUA network for sharing practice, ideas and support where appropriate

Start small and communicate regularly with your members (at least once per month with an update)
